

## **DIVERSINET AND ALLONE ENTER DISCUSSIONS TO RE-EVALUATE THEIR EXISTING RELATIONSHIP**

**Toronto, Ontario, December 4, 2009** – Diversinet Corp. (TSX Venture: DIV, OTCBB: DVNTF), a leading provider of secure application platforms for the mobile world, announced today that it has commenced discussions with AllOne Mobile Corporation (“AllOne”) to renegotiate their September 2008 five-year license and revenue sharing agreement (the “License Agreement”).

Although no time period has been established to conclude negotiations, Diversinet and AllOne will continue to work with existing and potential customers for the timely delivery of the AllOne Mobile, secured by Diversinet, product offerings.

In September 2008, Diversinet entered into the Agreement with AllOne, a wholly owned subsidiary of AllOne Health Group, Inc. (“AHG”), which in turn is a wholly owned subsidiary of Hospital Service Association of Northeastern Pennsylvania (“HSA”) to cross license certain software and share revenues from the worldwide sales. HSA currently owns 6,956,152 common shares of Diversinet, representing approximately 15% of the issued and outstanding common shares of Diversinet.

In light of the ongoing discussions, William Farrell, Senior Vice President, Finance & Enterprise CFO of HSA has resigned from the Diversinet board of directors. Under the terms of the August 31, 2007 Stock Purchase Agreement with Diversinet, HSA continues to have the right to designate one individual to be nominated for election to Diversinet’s board of directors.

Under the terms of the License Agreement, Diversinet has provided an exclusive worldwide right to AllOne to sub-license certain Diversinet software in combination with AllOne’s software, in the mobile personal health record market. The License Agreement may be cancelled after the third year (i.e. after August 30, 2011) by providing 180 days notice by AllOne in certain circumstances. Under the terms of the License Agreement, Diversinet has received the minimum commitment fee of \$5.5 million in the first year (i.e. 12 months ended August 31, 2009) and two quarterly payments of \$1.75 million each on September 1 and December 1, 2009. In addition, \$3.5 million is payable for the six months ended August 31, 2010, \$7 million is payable for the 12 months ended August 31, 2011 and \$10 million is payable in each of years four and five to Diversinet quarterly in advance as a minimum commitment. For healthcare sales, initial amounts received are allocated to AllOne until the minimum commitment fee under the Agreement is met, after which Diversinet and AllOne share revenues according to the Agreement. To date, the amounts received by AllOne on deployments have not exceeded the minimum commitment fees.
